ORIENTATION

Red Leaf holds an orientation in Toronto for all students prior to the start of the program. Students attending this session have the opportunity to take a short tour of the city, are accommodated overnight and receive an orientation the following morning at the Red Leaf office.

If students are traveling on to other cities their flights may be arranged for the afternoon of the orientation day. Ground transportation for students remaining in Ontario is also arranged for that afternoon.

*Please confirm with Red Leaf before booking flights, as minor changes in the school calendar occur from year to year.
